Dear **[Name]**,

On December 1, 2020 I am joining forces with StreetLightUSA for GivingTuesday! I am excited to support young girls at risk for and victims of child sex trafficking as they transition from trauma to triumph. Every child can find a triumphant future - but they need our support.

StreetLightUSA's mission is anchored in a Christ driven desire to shine light, show love, and encourage young girls as they walk the path of healing. StreetLightUSA fulfills this mission by offering program services that combine a Christ-Centered and a clinical approach to treat the whole child as she recovers from the trauma of sexual exploitation and human trafficking.

*StreetLightSUA inspires hope in young girls as they transition from Trauma to Triumph and they envision a world where survivors of child sex trafficking have an opportunity to dream again and live a life free of exploitation.*

Supporting StreetLightUSA is important to me because **[your testimony here]**

Together we can bring hope to young girls as they walk their path from trauma to triumph.

Sincerely,
